The census counts every person living in the United States.

**EVERYONE IN YOUR HOUSEHOLD COUNTS:** any age, any relationship.

More than $675 BILLION

Federal support to states, counties, and communities is based on census data.

That money is spent on schools, libraries, hospitals, roads, public works, and other vital programs.
Completing the 2020 Census will be EASIER than ever.

You will be able to respond to the census online, and AT THE LIBRARY.

You can also respond by phone or email, in many languages.

Your PRIVACY is protected.

It’s against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household.
